

Scholarship Program

The Shelter Foundation annually awards scholarships to graduating high school seniors in communities where there is a Shelter Mutual Insurance Company agent who participates in the program.

The highlights of the program are:

1 Scholarships will be awarded annually to graduating seniors who attend high schools that are approved and accredited by the states' departments of education. The scholarships will be in the amount of \$2,000.

2 Scholarship recipients are free to select any accredited college or university and any course of study they desire to pursue leading to an academic degree. The scholarship will be paid directly to the college to apply to the tuition, fees, room and board of the student.

3 A local selection committee of three to five persons consisting of high school officials and community business and professional leaders will consider applicants' scholastic achievement, participation and leadership in school and community activities, citizenship and moral character, and educational goals.

4 Scholarships will be given without regard to race, creed, religion, national origin or gender of prospective recipients. Children of any Shelter Insurance® Agent or employee are NOT eligible recipients of scholarships.

5 The scholarship recipient must accept the scholarship by enrolling in a college or university by the September following his/her high school graduation.
